

PRISON DIRECTORS FILE THEIR REPORT

Good Financial Showing Made
at State Farm, Where Build-
ings Have Gone Up.

HEALTH CONDITIONS GOOD

Fewer Deaths and Less Illness.
Prisoners Make Money
for Selves.

Improvement in health conditions in the State Penitentiary, growth of funds earned by convicts in the shops by labor outside of their tasks, and financial well-being of the State prison farm, are the principal features of the annual report of the board of directors of the penitentiary, filed with Governor Mann yesterday. It is signed by J. D. Sutton, chairman; L. L. Scherer, Samuel Cohen, W. B. Bradley and E. G. Stratton.

Revenues in the penitentiary from the Thacker Shoe Company for the year were \$120,767.70, while the expense of maintenance were \$124,156.42, making a net gain of \$6,611.28.

Make Money for Selves.
Prisoners are enabled to earn money for themselves by additional labor. During the year, with this fund, they ordered delicacies to the value of \$13,596.45, while discharged prisoners received \$6,253.69. The prisoners' fund on hand is \$15,995.97.

"This shows," says the report, "to what extent the prisoners have been protected on the contract, and also proves conclusively that their tasks on contract work are not heavy, as they are enabled to make this large amount; at the same time, not working over an average of nine hours per day."

The 2005-2006 Year. In the penitentiary for 1912, was 1,213, against 1,235 for the preceding year. Deaths were five, against eight in the previous year.

Prisoners Convicted. Better health conditions are shown by the report of Dr. Herbert Mann, prison surgeon. The total average number reported for surgeons' call last year was fifty-five, whereas it was sixty-seven the year before. Total for the year was 15,145 calls, against 20,637 for the same period in 1911. Number reported on surgeons' call on contract was 14,362, while they numbered 15,076 in the previous year. Days excluded in 1912 were 5,475 for men and 1,567 for women, while in 1911 they were 4,262 for men and 839 for women. Totals, 1911, 4,061; 1912, 3,011. This reduction in illness is further shown by the decline in the extra calls made by the hospital steward, from 4,362 to 3,172.

As to the State Prison Farm. It seems that this institution, established as a hospital for sick prisoners, is a source of revenue and an asset to the State. The value of the farm and inventory of the assets amounts to \$188,927.71, which is property belonging to the Commonwealth. Besides, prisoners have been cured of tuberculosis and other troubles, many have been made comfortable, and their removal from the penitentiary has been a safeguard and protection to prisoners there. The prison farm is really a huge hospital, whose inmates require medical attention and dieting, which often proves expensive.

Big Gain in Assets. During the past year at the farm the inventory of property value increased \$7,972.46. The board spent for

WHAT IS WRONG?

Many People in Richmond are Asking
That Question of Late.

Within the last few weeks more people than usual have complained of frequent sneezing fits, tickling in the throat, stoppage in the nose, spasms of coughing, raising of mucus, droppings in the throat and offensive breath, and have asked themselves what is the matter.

The trouble is that they are affected with catarrh, and unless immediate steps are taken to remedy their condition, the disease will increase and spread through the delicate mucous membrane that lines the air passages, and a chronic and serious stage of the disease will result.

At the first symptoms of catarrh, such as sneezing, HYOMEI should be used. There is no other treatment like it, or just as good; none that can take its place and relieve so surely, so quickly and at so little cost. It is a scientific medicated air treatment that does not drug and derange the stomach, but is breathed into the throat, throat and lungs and soothing and healing the irritated mucous membrane.

HYOMEI is offered to catarrhal sufferers with the agreement to refund the purchase price to any one who is not satisfied with results. You certainly can afford to test HYOMEI with an offer like this. Get it now and be cured of catarrh. HYOMEI does not contain cocaine, or any habit-forming drug. Complete outfit \$1.00. Extra bottles of liquid, if later needed, 50 cents. Tragle Drug Co. and druggists everywhere.—Advertisement.

permanent improvements there the sum of \$14,089.97, and in addition it took care of a deficit of \$1,749.36, the cost of maintenance of prisoners in the hospitals.

State Accountant W. E. Smyth has adopted a plan of bookkeeping at the farm which charges the labor of the prisoners and credits the maintenance of those in the hospitals. By his calculation, the net gain of the farm for the year is \$14,573.60.

There are now two tubercular hospitals. A two-story brick cell building with offices and general hospital above, has been erected, with a modern concrete cow barn. The new prison building is equipped with heat and is up-to-date.

SYRACUSE LODGE BANQUET HELD AT MURPHY'S HOTEL.

About 150 members of Syracuse Lodge No. 8, Knights of Pythias, were present at a banquet last night, at Murphy's Hotel, in honor of three officers of the order—Benjamin A. Hirsberg, of Richmond, Grand Chancellor of Virginia; James T. Haffey, of Richmond, Grand Master of the Eastern Grand Lodge of Virginia; and R. H. Bell, of Staunton, Grand Lecturer of Virginia.

James T. Bailey acted as toastmaster, and among the speakers were Joseph Greer, head of the D. O. K. temple of Richmond; R. H. Bell, John Hirsberg, Past Chancellor Llewellyn of Newport News; Rev. M. S. Eagle, J. P. Atkins, J. E. Winfree and Hon. A. R. Ruffin, J. B. Lethers was chairman of the committee on arrangements.

DINNER FOR EGLESTON

Friends Will Honor His Public Services in Cause of Education.

Friends of Joseph E. Eggleston, desirous of showing their appreciation of his services to the cause of public education in Virginia and in the nation, have arranged a subscription dinner to be given in his honor at the Jefferson Hotel on April 11 at 3 o'clock. It has been decided to limit the cost to \$2 a plate.

A committee in charge of arrangements is composed of Jackson Davis, State supervisor of rural elementary school, chairman; E. H. Russell, president of the State Teachers' Association; Charles G. Maphis, professor secondary education at the University of Virginia; Dr. J. L. Jarman, president of the State Teachers' Association; and Dr. A. C. Chandler, C. M. Robinson and Dr. J. A. C. Chandler.

As much as the conference for Education in the South will meet in Richmond the day after the dinner, many leading educators will be here at the time. Formerly a chairman of the Public Instruction, Virginia, now supervisor of rural schools for

the United States Department of Education and president-elect of the Virginia Polytechnic Institute, he is widely known.

In Charge of Flood Situation

SURGEON GENERAL RUPERT BLUE, U. S. A.

PROTEST AGAINST CHANGE IN NAME

Ministers Believe It Would Result in Destroying Peace of Church.

New York, March 31.—The recent action in the Protestant Episcopal Church, and in its press, to eliminate from its name the word "Protestant," or to adopt a new name, has called forth a letter of protest from fifteen prominent rectors of New York, which has been sent to the Right Rev. Daniel Tuttle, of Missouri, presiding bishop of the church.

One of the names suggested, to which objection was found, is the "American Catholic Church." Those who favor its adoption propose to submit it for consideration at the next general convention of the church in this city in October.

The letter was made public in New York to-night. In part it is as follows:

"We believe the time to be inappropriate for changing the name, because the great number opposed to the change will be sincerely disturbed by such action; because it seems quite evident that those who desire a change cannot agree upon a name; and because church unity, of which we are becoming more hopeful, cannot be advanced by a church which deliberately destroys its own peace."

"We do not undertake to discuss herein the adequacy of our present name, though we insist that there is a vast difference between the question of the church's wisdom in its original selection and the proposal to drop the name which the church has honorably borne since our people became a nation."

FOUGHT OVER ALLENS

Outlaws' Sympathizer Sustains Broken Jaw in Fight.

The police are searching the city for the unknown assailant of A. B. Fowler, proprietor of a grocery store at 139 Venable Street, who broke the grocer's jaw on Friday night in a fight which grew out of a difference of sentiment in regard to the Allen outlaws. Fowler, who is now in the Memorial Hospital, called on the police yesterday, through his attorney. He was able to furnish an excellent description of his assailant.

According to Fowler's account, he was eating in Doyle's cafe, 608 East Broad Street, Friday night when he was drawn into argument by a man sitting near him, who expressed the opinion that Floyd and Claude Allen had been served what was their due. Fowler, who was an Allen sympathizer, resented the remark. No hostilities ensued at that time, however, but two hours later, when the two opponents again met on Broad Street, the Governor's supporter walked up to the Allen sympathizer and floored him with a powerful blow on the jaw.

Admitted to Probate.
The will of Mrs. Willie C. Swan was admitted to probate yesterday in the Chancery Court. The estate is valued at \$200.

HAYWOOD IS GIVEN SIX MONTHS IN JAIL

Leader of Strikers Gets Maximum Sentence for Disorderly Conduct.

Paterson, N. J., March 31.—William D. Haywood, organizer for the Industrial Workers of the World, was sentenced to six months in the county jail this afternoon on conviction of disorderly conduct in connection with a gathering of strikers yesterday at Lafayette Oval here. He came here in connection with the silk mill workers' strike.

A second charge, that of causing unlawful assemblage, also was lodged against him. On this, he was held for the grand jury, with the amount of his bail to be fixed later.

Haywood pleaded not guilty to both charges. He was sent to the county jail to begin his sentence, but an appeal probably will be taken.

Haywood was given the maximum sentence with which disorderly conduct is punishable. During his term of imprisonment he will have to work ten hours a day at hard labor.

One hundred policemen, armed with riot guns, stretched a cordon around police headquarters during the hearing. Fully 2,000 strikers and strike sympathizers gathered outside the building. So ugly appeared to be their mood that the police locked Haywood in a cell at police headquarters instead of taking him to the county jail until the crowd dispersed.

BOY MISSING

Johnny Haynes Has Not Been Seen Since Going to River.

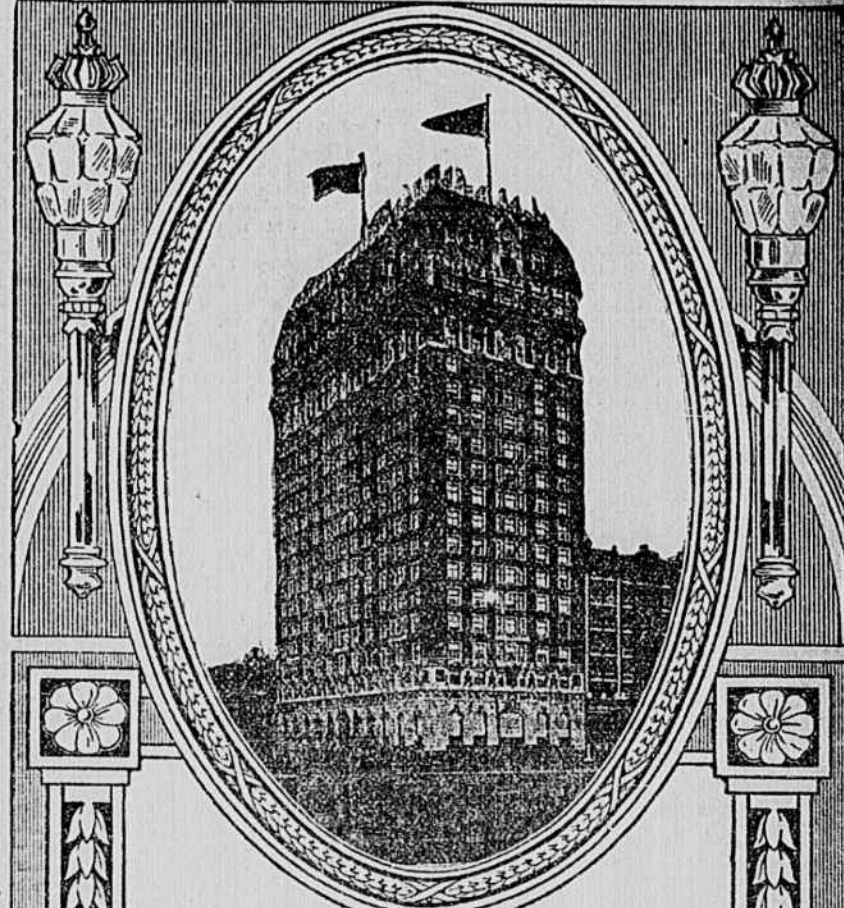

The aid of the police has been sought in the effort to locate the missing Johnny Haynes, nine years old, who left his home, 205 North Twenty-eighth Street, about 11 o'clock Sunday morning to go down to view the high water in the river, and has not been seen or heard of since. The boy's mother is frantic over his disappearance, and declares that he is too fond of home to have deliberately run away. She believes he was enticed off by strangers or fell into the raging stream and was drowned.

When last seen the boy wore a dark suit, dark cap and new lace black shoes. He was stout for his age, with light skin, light hair and dark eyes. He was familiarly known as "Lovey."

SUSPECT ARSON

Negro Girl Found in House Which Caught Fire Sunday.

Officers Traynor and Clarke last night answered a telephone call from neighbors of the vacant house at 123 West Broad Street, the same building which took fire Sunday night, and came away with Heesie Hopkins, a twenty-year-old colored girl, a prisoner. She was entered on the books of the Second Police Station as a vagrant, but the two officers are working up an arson charge against her. According to residents of the neighborhood the Hopkins girl was seen to enter this house Sunday night before the fire broke out, and last night when some one
